As parents we often try to keep adversity from our children's lives. But as we know, tough times can't be avoided and as we look back on our own lives these are the times that we often grow closer to God and stronger in our faith. Joseph faced many difficult challenges. Through these situations Joseph knew God was with him and trusted God to take care of him. Whether working for Potiphar or in the dungeons of prison, Joseph worked hard and always gave God the glory.

This can be a great opportunity to share with your children difficult circumstances that you have faced and how God has been there with you. This can give them assurance that when they face difficulties, they will know that God is with them.

BIBLE POINT: GOD IS WITH YOU

Objective: Children will see that God is with them in ALL circumstances. Hebrews 13:5
"I will never leave you or forsake you"

Supplies:

Bible
Paper
Pens

Read Genesis chapters 37 & 39. As you read these chapters, write down the different situations that Joseph faced and how God was with Joseph and protected him. After discussing these chapters, give real life situations from your own life on how God was with you through difficult circumstances. Share what God taught you and how that impacted your relationship with God. What a great opportunity for your children to see how God has and is working in your own life!!!
