

“Open to be Content”
1 Timothy 6:6-11, 17-19

Open hearts lead to open hands.

People who are the most content are not those who have the most, but those who need the least.

1. Awareness creates Appetite (9-11)

Comparison kills Contentment

2. Thankfulness generates Thoughtfulness (17-19)

It is the presence of Jesus, not the absence of trouble, that brings contentment.

Why trust in gifts when I know the Giver?
