About Inasmuch—Humble Beginnings

In 1973, the Lord lit a fire in the heart of a young pastor to step out of his comfort zone and start a new church in the central city of Fort Wayne. In those early days, a secretary shared her lunch with a stranger who was hungry and a ministry was born. Later to be named Inasmuch, the ministry would share God's Word and touch the lives of thousands of people.

We currently provide spiritual guidance, food, clothing, Citilink bus tickets, financial assistance and state ID and birth certificate retrieval to the needy of our community.

Remarkably, we have ministered to and helped thousands of people since the ministry began. Approximately 3,000 head of households were served in 2018. We have prayed and shared God's Word with each person.

Because of the increase in those needing help, the Lord has provided the vision of getting other churches involved in our efforts. The challenge and goal was to bring together multiple churches and minister in unity as one body of Christ. From this vision the Inasmuch Family of Churches was born. We currently have 31 congregations involved in the ministry providing prayers, financial support and volunteers.

Our Mission Statement is to "help people in need, offer hope through a relationship with Jesus Christ, and promote personal responsibility". This sums up our approach and identifies the ministry as a "hand up" rather than a "hand out" approach to helping people.
