

FACEBOOK WATCH PARTY SCRIPT

Yay! You're hosting a Facebook Watch Party!

We want to make sure you feel totally equipped to host an online Blackhawk service, so we've put a script together just for you. Make sure you read all the way to the bottom so you're ready for anything!

When someone joins your chat:

The idea here is to be welcoming and friendly. Using someone's name can go a long way when they join the chat! Here are some examples:

"Hey [insert their name], I'm so glad you're watching! Welcome to my church."

"Hi [insert their name]! Thanks for joining me for church today!"

You've got a group going, now service is starting:

During service, you have the unique opportunity to comment on the teaching in real time. Share your thoughts & ask your group to do the same.

"I feel that same way sometimes! What do you guys think?"

"Amen!" "What are your thoughts about the first point?"

It's time to take up offering:

At this point, we want to connect everyone to online giving. Here's how to lead that moment:

"Here's the link to give online blackhawkministries.org/give"

"I just did my giving! Let me know if I can help you with yours"

Service is ending and there's a moment for a salvation decision:

This is the most important moment of the whole service! These are your friends, who now have an opportunity to know Jesus like you do. We want to celebrate them & connect them. First, we have to know who made the decision:

"I remember when I made the decision to follow Jesus! It was the best day of my life. Is there anyone who made a decision to follow Jesus today?"

Now, we want to connect them:

"[insert name], I'm so proud of you! One of our pastors would love to connect with you. After service ends, you can go to blackhawkministries.org/prayer and you'll be able to figure out what some next steps might look like for you!"

If you have someone new to Blackhawk:

This is huge! Even though we're online, we want to be strategic in making sure no one walks alone. You can follow this script to connect them to our church:

"I'm so glad you joined me for church today! If you've never been to our church, check out blackhawkministries.org to see what we're about.

Saying goodbye.

The least fun part of the party! It's okay though, you can still talk during the week. The goal before you go is to make an intentional connection with everyone who joined you. Saying a prayer for them and connecting them to our church resources are great ways to do this.

"I'm really glad you guys joined me for church today! This is my prayer for you.. the Lord bless you and keep you, may he make his face shine upon you and be gracious to you. May he turn His face towards you and give you peace. Amen!"

"If you want to join me next week, I'll be posting again and we can keep watching together!"

"Don't forget to check out blackhawkministries.org. Hope to talk soon!"
